# Novice Teen Driver Education and Training Administrative Standards

- Revised and published in February 2017
- Ultimate Goal: Ensure that driver education and training is:
  - High quality
  - Consistent
- Administering education standards and policies are a State's right
- To serve as an anchor for State policies on driver education and training

# Novice Teen Driver Education and Training Administrative Standards

---

1. Program Administration
2. Education and Training (including online delivery)
3. Instructor Qualifications (program & materials)
4. Parental Involvement
5. Coordination with Driver Licensing

# ANSTSE Projects

- Develop and Disseminate Resources to Assist States in the Implementation of the NTDETAS
- Core Elements for a Driver Education Parent/Guardian Session

# Develop Resources to Assist States in the Implementation of the NTDEETAS

- The objectives of this project are to:
  - Develop and execute a follow-up process to identify the outcomes of NHTSA Driver Education State Assessments and ANSTSE Technical Assistance
  - Create a resource library on the ANSTSE website for driver education research, case studies, white papers, and best practices.

# Develop Resources to Assist States in the Implementation of the NTDEETAS

- The goals of this project are to:
  - Increase states awareness of the benefits of conducting a NHTSA State Driver Education Assessment and ANSTSE Technical Assistance.
  - Capture how and to what degree the results of the Assessments and Technical Assistance were implemented by States.
  - Provide states with strategies to take action to meet the recommendations provided.
  - Provide resources to states to assist in implementing the NTDEETAS.

# Develop Resources to Assist States in the Implementation of the NTDETAS

- One year project.
- ANSTSE will be reaching out to the States to collect information.
  - State policies and practices
  - Promising practices in relation to the NTDETAS
  - Comparative data
  - Status of recommendations since NHTSA Assessment or ANSTSE Technical Assistance

# Definitions

- **Best Practice** – through experience and research have proven to reliably lead to a desired result.
- **Promising Practice** – based on theory or research. Have been or are being evaluated. Not enough research to support consistent positive outcomes.
- **Emerging Practice** – based on evidence and wisdom but have not been formally evaluated.

# Develop Resources to Assist States in the Implementation of the NTDETAS

---

- Will schedule individual state web meeting discussions
- May contact other agencies, schools or research institutions in your State

# Core Elements for a Driver Education Parent/Guardian Session

- The objective of this project is to:
  - Develop core elements for the delivery of parent/guardian sessions.
- These core elements will:
  - Help to prepare parents for their critical role in their teen’s learning-to-drive process.
  - Ease States’ path toward the implementation of such sessions.
  - Advocate the value of the parent/guardian involvement section in the NTDETAS.

# Core Elements for a Driver Education Parent/Guardian Session

- The goals of this project are to:
  - Increase the value of parent sessions.
  - Provide more uniformity in parent sessions.
  - Increase the number of States to require/offer parent sessions.
  - Help parents become effective driving coaches for their teens.
  - Support new young drivers in developing greater driving skills and risk-reduction abilities.
  - Provide a foundation for fewer teen motor vehicle crashes.

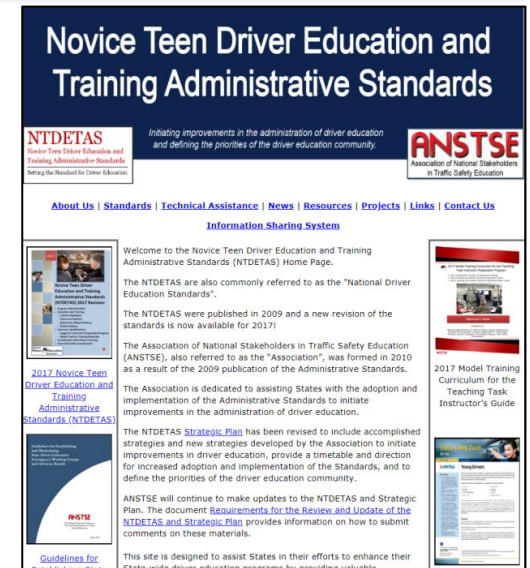

# Core Elements for a Driver Education Parent/Guardian Session

- One year project.
- ANSTSE will be reaching out to the States to collect information:
  - State policies regarding parent sessions
  - Existing parent session materials
  - Schedule individual state web meeting discussions
  - May contact other agencies, schools or research institutions in your State

# ANSTSE Website
