

NHTSA DRIVER EDUCATION STATE ASSESSMENT

- Provides a comprehensive report of the program's strengths and opportunities.
- Utilizes the NTDETAS as a minimum set of best practices.
- Engages subject matter experts within the driver education field.
- Offers flexibility through in-person, remote, or a hybrid process.

Requesting/Conducting an Assessment:

- Contact and coordinate with the State Highway Safety Office (SHSO).
- Identify funding sources (e.g., SHSO).
- SHSO contacts NHTSA Regional Office to coordinate with NHTSA Headquarters.

For more information visit www.anstse.info.

STATE SELF-ASSESSMENT TOOL

- Provides States with a tool to examine if their driver education and training program aligns with the NTDETAS.
- Identifies where a State has successfully met the Standards and opportunities for future improvement.
- Assists States in determining and prioritizing next steps to establish the best program possible.
- Helps establish and gauge State driver education and training program goals and objectives.

For more information visit www.anstse.info.

ANSTSE

Association of National Stakeholders
in Traffic Safety Education

Setting the Standards for Quality in Driver Education and Training

ANSTSE

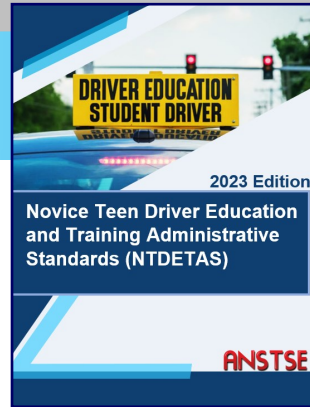

The Association of National Stakeholders in Traffic Safety Education (ANSTSE) is a group of voluntary Stakeholders formed in 2010. The mission of ANSTSE is to:

- Maintain and when necessary, upgrade the Novice Teen Driver Education and Training Administrative Standards (NTDETAS).
- Identify areas for the improvement of driver education and training.
- Identify and provide recommendations for the administration and delivery of quality driver education and training.
- Provide support to States to meet the NTDETAS.

Association Member Organizations include:

www.anstse.info

NTDETAS STANDARDS

- Developed by professionals in the driver education and training community with assistance from ANSTSE and NHTSA.
- Provide guidance that will enhance both uniformity and professionalism within driver education and training.
- Serve to guide all novice teen driver education and training programs to provide quality, consistent, and equitable driver education and training.
- Provide standards for:
 1. Program Administration
 2. Education/Training
 3. Instructor, Mentor and Instructor Trainer Qualifications
 4. Coordination, Collaboration and Communication with Driver Licensing
 5. Parent/Guardian Involvement

The Standards are available online at www.anstse.info.

STATE CONSULTATION SERVICES

- Available at no cost for any State agency striving to meet components of the NTDETAS.
- Conducts web meetings with Secretariat and ANSTSE Chair to identify opportunities.
- Provides guidance and direction to advance your State's driver education and training program.
- Reviews regulations, standards, and other materials to provide input.
- Identifies ANSTSE resources and best practices from other States.
- Provides referrals to other State administrators or experts as needed.

For more information and resources, or to request State Consultation Services visit www.anstse.info.
